SIGNATURE TREATMENTS

The Yorkshire Rose Garden Ritual

80 minutes - £79

The historic gardens at Middlethorpe Hall were restored in the 1980's to suggest something of their original formality, and are today renowned for their herbaceous borders which include beautiful specimen roses, peonies, irises and many more fragrant flowers. We invite spa guests to enjoy a relaxing stroll in the gardens prior to or following their treatments.

The **Yorkshire Rose Garden Ritual** was designed by experts from Aromatherapy Associates, taking inspirations from Middlethorpe's award-winning gardens and their many scents.

Bring back your radiance with this comforting, restorative treatment. Precious essential oil of damask rose works on capillary circulation renewing the skin whilst the aroma has an expansive quality that soothes the emotions and nurtures the heart. The treatment begins with a gentle body brush exfoliation. A moisturising and softening mix of oil and cream with evening primrose oil and shea butter is smoothed over the body. Followed by a luxurious facial that also harnesses the regenerative properties of rose to nourish, soften and hydrate all skin types, especially dry, delicate and finely textured complexions.

This treatment leaves your skin radiant, soft and smooth and your spirits bright and uplifted.

The Ultimate Aromatherapy Experience

50 minutes - £64 or 80 minute - £79

This hero treatment starts with a consultation to find out what your emotional and physical needs are. From that we carry out an aroma test to allow you to choose the oil most suitable for you. There are twelve signature oils to choose from, formulated with natural plant and flower oils with wonderful exotic scents and powerful therapeutic benefits for body and mind.

With your chosen oil, your therapist will use carefully applied pressures to stimulate the nervous system, Swedish and neuromuscular techniques to relieve muscular tension, and lymphatic drainage to encourage healthy circulation. This treatment works from your head to your toes, it will dissolve away all of your stress and tension. This is an intense massage ritual drawn from a fusion of eastern and western techniques enabling the therapist to work on your body, mind and spirit.

This treatment releases tension held in every part of your body leaving you feeling deeply relaxed and recharged.

FACIAL TREATMENTS

ULTIMATE AROMATHERAPY ASSOCIATES FACIAL

AGE REPAIR FACIAL

80 minutes - £79

This is natural, highly effective skincare to reduce the signs of ageing without using harsh chemicals.

This repairing and anti-ageing facial works with natural oils of inca inchi and larch extract which stimulate collagen formation to deliver firm and tightened skin, whilst the anti-inflammatory properties of pomegranate and rosehip seed oil work on slowing down the effects of ageing skin.

True to Aromatherapy Associates' skincare philosophy, your skin is prepared by cleansing and exfoliating with jojoba beads or corncob granules. It is then massaged using apple seed extract, raspberry seed oil and date palm oil which are renowned for their cell renewal and anti-oxidant effects. Two masks are applied, a rose gel to hydrate, and an intense strawberry seed and frankincense mask to firm and plump. Whilst the masks take effect, the eye area is taken care of with a lymphatic massage to improve skin suppleness and elasticity. For ultimate luxury your scalp is massaged to release stress and tension.

For a firm, plumped and more youthful-looking complexion.

ESSENTIAL ROSE FACIAL

50 minutes - £64 or 80 minutes - £79

This luxurious facial harnesses the regenerative properties of rose to nourish, soften and hydrate all skin types, especially dry, delicate and finely textured complexions. This treatment helps to boost your circulation and promote cell renewal and regeneration, leaving your skin radiant, dewy and delicately scented.

A calming frankincense inhalation helps you let go of the day's stresses, turning your focus inward as your treatment begins. A scalp massage releases muscular tension and prepares you for your facial. Your skin is thoroughly cleansed, exfoliated and toned using our rose preparations, rich in pure regenerating damask rose, skin balancing geranium, and nourishing jojoba oil. A traditional aromatherapy pressure point massage combined with lymphatic drainage releases facial tension and congestion. Then while a hydrating facial mask goes to work, your arms and hands are massaged and your skin is finally treated with a deeply moisturising facial oil and moisturiser.

The result is a smooth, radiant complexion and a relaxed state of mind.
